

# MAXIMIZING YOUR MEDICARE SUMMARY NOTICE

**Before you receive your MSN, document all of your medical appointments, providers, services, prescriptions and payments in a healthcare tracker.**

**1**

**When you receive your MSN, confirm all of your personal information is correct and then compare the services, providers and charges with your Healthcare tracker.**

**2**

**If a service has been denied payment by Medicare, contact your provider to ensure it was coded correctly and ask them to refile it.**

**3**

**If you disagree with a Medicare decision, use the appeal form in your MSN to appeal the decision. Be sure to file your appeal in writing by the date in your MSN.**

**4**

**If you have an error you can't resolve with your provider or you suspect you've been a victim of fraud or abuse, contact your local Senior Medicare Patrol for help.**
